AMIA 2024 | DECEMBER 4-6 | MILWAUKEE, WI

The annual AMIA Conference is the world's largest gathering of media archivists and interested professionals. Content is broad-based covering all aspects of the field. More than 550 media professionals are expected in Tulsa this year.

AMIA

EDUCATION

AMIA PATHWAYS FELLOWSHIP

The AMIA Pathways Fellowship is a unique program supporting paid internships in combination with mentorship and professional development training to forge pathways in the audiovisual preservation field for people from groups historically underrepresented in the profession at any level of their career.

THE MOVING IMAGE JOURNAL

The Moving Image is a hybrid journal that bridges multiple communities working in film, archives and preservation. The journal is unique in providing an academic platform for writers who are practitioners in the field of moving image archive.

ONLINE EDUCATION

Our programming is strengthened with partnerships across institutions, geography, and areas of expertise. AMIA's continuing education offers a broad range of programming – from introductory level skills, to management skills development, to sessions offering cultural competency training for small organizations.

AMIA

OUTREACH

AMIA is grounded in a commitment to collaboration and promoting the work of archives and archivists. In addition to outreach to the public and partners within the media community, AMIA offers scholarships for those entering the field and honors those who have made exceptional contributions to the profession.

ASN

Always a highlight for the Conference, ASN promotes awareness and invites members of the community to take a peek into the archives. The ASN Roadshow, In theatres and on TCM, offers a peek into the archives, and introduces the public to collections often unseen anywhere else.

COLLABORATIONS

Recent collaborations include Preservation for Filmmakers sessions with Missing Movies, translation of the PBCore Standard with GBH, the Salary and Demographic the upcoming Disaster Planning and Recovery Symposium with the National Film Preservation Board.

FISCAL SPONSOR & INCUBATOR

As a Fiscal Sponsor and incubator, international projects such as the Preserving Community Memory in the Balkans project, and Home Movie Day, national projects like Community Archiving Workshops, and new projects like the Autistic Voices oral history project, have started at AMIA - some through discussions around a conference table, some through fiscal sponsorship opportunities, but all are making an impact on the field.

AMIA

OTHER PUBLICATIONS

In addition to AMIA's academic journal *The Moving Image*, AMIA publishes a bi-weekly member update, a membership directory, and a global supplier directory. Advertising opportunities are available in the Supplier Directory, Member Update, and our annual conference program.

GLOBAL SUPPLIER DIRECTORY

The AMIA Supplier Directory: A Global Directory of Services and Suppliers of Audiovisual Media is an international resource guide for anyone working with audiovisual media. The AMIA Supplier Directory is updated 3 times a year.

MEMBER UPDATE

The Member Update is published electronically, offering news from the membership, news of the field, upcoming events, and information on current events and information for AMIA members.

MEMBER DIRECTORY

The AMIA Membership Directory, published electronically, lists contact information for all members. The Membership Directory is only available to AMIA members.

BE AN AMIA PARTNER

AMIA is uniquely positioned within the community. Our members include a mix of studio, broadcast, museums, archives, libraries, performing arts and universities – all specifically working with time-based media. With more than 1,000 institutional and individual members, and almost 10,000 subscribers to our lists,

Being an AMIA partner and sponsor provides **opportunities for you to reach all levels of your audience**. With our range of events you have the opportunity to promote yourself as a trusted partner, be part of the conversation about the future of the field, and build awareness of your products or services.

Your support will **directly impact the field**. Without your support programs like the Pathways Fellowship can't be developed, mentorship opportunities for the next generation of archivists can't be pursued, and promoting the importance of preservation and access in events like Archival Screening Night on TCM don't happen. We need you to make all of this possible.

We are committed to keeping our organization as inclusive as possible in the belief that only a true open forum results in authentic best practices. [Our partners and sponsors](#) allows us to keep our costs low so that we can continue to include a diversity of media collections and **support the work done by archivists around the world**.

AMIA is a 501(c)3 organization, so a portion of your support may be tax deductible. Partnerships and sponsorships are for one year, typically July 1 – June 30 but can be customized to best meet your needs.

Because AMIA is a 501c(3) organization, a portion of your Sponsorship is tax deductible.
