

Film Advocacy Task Force 2.0

Chair: Elena Rossi-Snook

The mission of the AMIA Film Advocacy Task Force 2.0 is to meet the current demand for information on and access to motion picture film as a production, exhibition and preservation format.

To this end, FATF will act as a clearinghouse for all things related to film advocacy. Furthermore, the Task Force will create and facilitate education programs and maintain its previously established lines of communication between archives, exhibitors, laboratories, educators, and filmmakers.
